<p><u>Notes for the Bidder</u></p> <p>(i) A management contractor is a firm which takes on the role of contract management as a “general” contractor of sort could do. It does not normally perform directly the construction work(s) associated with the contract. Rather, it manages the work of other (sub) contractors while bearing full responsibility and risk for price, quality, and timely performance of the work contract.</p>							

(ii) Similarity shall mean;

In case of Single Entity;

A. The Supply & Laying of Pipes, Fittings and Accessories for **90mm diameter or above** including other related civil works in a water supply contract for a total pipeline length not less than **100 km in one contract** done by the Bidder.

In the above or in any other contract(s) done by the Bidder shall include the following major items of works;

(a) Supply & Laying of HDPE Pipes, Fittings & Accessories for **90mm diameter or above** including other related civil works in a water supply contract for pipeline length not less than **20km in one contract**.

(b) Supply & Laying of DI Pipes, Fittings & Accessories for **100mm diameter or above** including other related civil works in a water supply contract for pipeline length not less than **5km in one contract**.

In case of a Joint Venture (JV);

B. One Member of JV shall comply with **75%** pipeline length indicated in above Clause (ii)(A) plus **75%** pipeline length of (ii)(A)(a) and (ii)(A)(b).

C. Each Member of JV shall comply with **40%** pipeline length indicated in above Cluse (ii)(A) plus **40%** pipeline length of either (ii)(A)(a) or (ii)(A)(b).

(iii) Substantial completion shall be based on 80% or more in scope of the works completed under the contract.

(iv) For contracts under which the Bidder participated as a JV member, only the Bidder's share, by scope of the works shall be considered to meet this requirement.
